Call for Abstracts & Clinical Sign Corner

The 2nd Medina Pedia Conference

invites pediatricians, residents, medical students, and healthcare professionals to participate in two exciting scientific activities designed to showcase research and sharpen clinical diagnostic skills

Call for Abstracts

Participants are invited to submit original research abstracts in the field of Pediatrics. Selected abstracts will be presented during the conference, and outstanding submissions will be recognized and awarded.

Submission Deadline
30 September 2026

Submit Your Abstract
Click Here to Submit Your Abstract

Clinical Sign Corner

An interactive educational activity focusing on important pediatric clinical signs and their role in diagnosis through history taking and physical examination.

Submission Requirements

- Clinical photographs
- Short video clips
- Radiological images (if relevant to the case)

All submitted materials should demonstrate high educational value and clarity.

Ethical Considerations

- Informed consent is mandatory for all patient images or videos.
- Patient confidentiality and privacy must be strictly maintained.

Submission Deadline
30 September 2026

Submit Your Case
Click Here to Submit Your Clinical Sign Case

Awards

Outstanding submissions in both categories will be selected for presentation and honored during the conference.
